To the President of
the Nomination Committee
of IEEE Algeria Section

Subject: Motivation letter for Vice-Chair Position of the IEEE Algeria Section.

Following the broadcast of the call for nominations to elect a new Algeria IEEE section committee, I would be honored to present my candidacy and apply for the Vice Chair position with IEEE Algeria section for the next term. It would be my pleasure to do my best and serve the IEEE Algeria section as Vice Chair.

I am well organized and pay strong attention to details. Identify and analyze problems, seek and propose appropriate solutions, communicate, undertake, work in an international environment are all attractive criteria that fully meet my aspirations. With this mind, I suggest serving to the interests of the IEEE Algeria section, my human and technical skills, sense of analysis, my rigor and interpersonal skills, my research projects, professional experiences and energy in order to coordinate the activities of the future Directors Board of the IEEE Algeria section, selecting the topics and managing the operations of the Section in the best interest of the local members and provides leadership, guidance and a sense of purpose for other Section volunteers.

I would be a well-qualified candidate for the Vice Chair position of the Directors Board of the IEEE Algeria Section to bring a technological innovation and excellence to achieve the vision and mission of IEEE. You will find attached my short biography summarizing my professional background.

Please, accept the expression of my best regards.

I thank you for your consideration.

Dr. HADJ DIDA Abdelkader
